Department of Fisheries and Land Resources
FFAW's Proposed Income Improvement/Enterprise Retirement Program
February 21, 2017

Summary:

The Fish Food and Allied Workers (FFAW) Union submitted a 70/30 cost shared Federal/Provincial buy-out proposal to the department on October 18, 2016, for fish harvesters in 3Ps. The overall program target is to retire 110 enterprises, 90 per cent of which will be inshore <40' enterprises. The total estimated program budget is \$13,252,000.

The Minister may be asked to comment on the Provincial Government's support of the FFAW's proposal and about the conduction of the Enterprise Retirement Program and its expected completion time.

Key messages:

- The fishery is a major employer in the Placentia Bay (3Ps) area of Newfoundland and Labrador.
- The two most important commercial fisheries in Placentia Bay - cod and crab - have sharply declined over the last five years. As such, harvesters are facing difficult circumstances.
- The department has indicated support in principle for the 3Ps proposal pending Federal support.
