Dear 

Re: Your request for access to information under Part II of the *Access to Information and Protection of Privacy Act, 2015* [File #: EC/22/2018]

On May 2, 2018 Executive Council received your request for access to the following records/information:

“Salary costs for the Lieutenant's Governor's Establishment for 2017-18 was budgeted at \$709,400. However, the actual cost came in at \$1,032,400, according to Budget 2018 Estimates. Please provide a comprehensive breakdown that explains this more than \$300K in increased salary costs, including any documentation that references this unexpected increase. Additionally, please explain what actions have been taken to reduce salary costs to a forecasted \$641,200 for 2018-19.”

I am pleased to inform you that a decision has been made by the Deputy Clerk of Executive Council to provide access to the requested information. Please refer to the summary table below prepared specifically for your request.

Position	Salary Type	Expense
Private Sec To Lieutenant Gov	Severance and Related Benefits	324,800
Residence Manager	Severance and Related Benefits	65,200
Director of Protocol	Severance and Related Benefits	12,000
	Total	402,000
Salary savings during the year		(79,000)
	Net Overrun	323,000

The salary increase for Government House in fiscal 2017/18 was the result of costs associated with management review and executive change as noted above. For fiscal 2018/19, the salary change forecast is a result of a prior year reduction related to the Government Renewal Initiative and attrition.
