Good Morning Joy and Jason,

Six of the current PYC members are concluding their term with us at the end of August (31 August). We have prepared the attached letters from Premier to thank them for their service. Aside from their names, they are all the same. Could you please review and let me know if you have any suggested changes? I think it would be nice to send these letters in advance of the end of the month.

Thanks,

Dear Brooke,

I am writing to express my gratitude for your dedication and leadership as a member of the Premier’s Youth Council. As you know, your appointment to the Council ends on August 31, 2018, but if your exemplary commitment to the youth of Newfoundland and Labrador is any indication, I am certain your days of serving others and striving to build a better province – the province we envision and are working hard to achieve through The Way Forward – are far from over.

As a member of the Premier’s Youth Council, you have excelled at working with your fellow appointees to provide government departments with advice on a range of important issues from a youth perspective. Since its creation in 2017, the Premier’s Youth Council has been an important part of my government’s decision-making process and you have done a fantastic job of representing your peers’ interests, ideas and aspirations.

I wish you every success in all your future academic, professional and personal endeavours. As Premier of Newfoundland and Labrador, I would be both delighted and reassured to see you remain actively engaged in your community and your province, whether as a volunteer, an advocate or in whatever creative and meaningful way you choose. With that in mind, I would suggest that you periodically consult the website of the Independent Appointments Commission for information on appointment opportunities with other agencies, boards and commissions.

Sincerely,
