Re: Your request for access to information under Part II of the *Access to Information and Protection of Privacy Act* (File # NR-118-2019)

On July 5, 2019, the Department of Natural Resources received your request for access to the following records/information:

Please provide details on the 5 year budget forecast or multi-year fiscal framework maintained in excel by the Department.

The Department of Natural Resources have reviewed this request and conducted a search for responsive records.

It was determined that the Department of Finance, Budgeting Division sent the forecast file to DNR in a pdf format for our review. However, as DNR had no comments on the forecast file, we have no administrative requirement to maintain copies of this file. As such, it has been confirmed that there are no responsive records available. Please note, that this is the process for the Department of Natural Resources.

Please be advised that you may ask the Information and Privacy Commissioner to review the processing of your access request, as set out in section 42 of the *Access to Information and Protection of Privacy Act* (the *Act*). A request to the Commissioner must be made in writing within 15 business days of the date of this letter or within a longer period that may be allowed by the Commissioner.
