Dear Applicant:

**Re: Your request for access to information under Part II of the *Access to Information and Protection of Privacy Act* [Our File #: HCS/131/2019]**

---

On October 4, 2019, the Department of Health and Community Services (the Department) received your request for access to the following records:

*“How many cases of cancer was found to be linked to SV40 virus from the contaminated polio vaccine? There isn't a breach of privacy requesting this information. I am not asking names. I am asking a number ONLY! Which considering the removal of a Health Canada webpage, I feel you already know the answer to! It shouldn't take a long time to respond.”*

Please be advised that the Department has conducted a search and found no responsive records pertaining to your request. Records may be held under the Eastern Health Authority per the Cancer Care Registry. Queries regarding information held by Eastern Health can be directed to their Information Security and Privacy Office at 709-777-8025 or [privacy@easternhealth.ca](mailto:privacy@easternhealth.ca). Records may also be held under the custody and control of Health Canada. Information on how to make a request to Health Canada is provided in the following url: <https://www.canada.ca/en/health-canada/corporate/contact-us/access-information-privacy-division.html>

The Act requires us to provide an advisory response within 10 days of receiving the request. As this request has been completed prior to day 10, this letter also serves as our Advisory Response.

Please be advised that you may ask the Information and Privacy Commissioner to review the processing of your access request, as set out in section 42 of the *Access to Information and Protection of Privacy Act* (the Act). A request to the Commissioner must be made in writing within 15 business days of the date of this letter or within a longer period that may be allowed by the Commissioner.
