Re: Your request for access to information under Part II of the *Access to Information and Protection of Privacy Act, 2015* [Our File #: PRE/43/2019]

On May 29, 2019 the Premier's Office received your request for access to the following records/information:

"All information submitted to the Premier's Office from the Department of Municipal Affairs and Environment concerning the list for fire trucks, rescue vehicles and rural response units during the period from January 1, 2019 to present. A copy of minutes of any meetings regarding fire trucks, rescue units and rural response units between the Premier and/or senior staff with the Minister of Municipal Affairs and Environment and /or staff, the dates and times of these meetings since January 1, 2019 to present, and who attended these meetings. A copy of all recommendations and approvals for fire trucks, fire rescue vehicles and rural response units for 2019-2020 supplied to the Premier and senior staff from January 1, 2019 to present."

Please be advised that the Premier's Office has no records responsive to your request. We can confirm that a meeting took place between the Department of Municipal Affairs and Environment (MAE) and the Premier's Office in which the Premier was informed of the decisions made regarding fire protection vehicle funding. The Premier's Office did not participate in the decision making for fire protection vehicle funding as it is the responsibility of MAE.
