Re: Your request for access to information under Part II of the *Access to Information and Protection of Privacy Act* [IIAS-019-2019]

On October 18, 2019, the Intergovernmental Affairs Branch (IGA) of the Intergovernmental and Indigenous Affairs Secretariat received your request for access to the following records/information:

The current official Provincial Plan or Implementation Policy for implementing Section 55 of the Constitution Act, 1982.

The Deputy Minister of Intergovernmental Affairs has reviewed this request and, following a thorough search, IGA has no responsive records to provide. However, I would draw your attention to a previously completed request by the Department of Justice and Public Safety regarding "...the French-language written version of the constitutional texts, the translation of the constitutional texts from English to French, or the adoption of the French-language version of the constitutional texts." Should this be of interest, records can be found online at <https://atipp-search.gov.nl.ca/public/atipp/requestdownload?id=10474>, or by browsing the completed access requests online (<https://atipp-search.gov.nl.ca/>) for JPS-49-2019.

Please be advised that you may ask the Information and Privacy Commissioner to review the processing of your access request, as set out in section 42 of the *Access to Information and Protection of Privacy Act, 2015* (the Act). A request to the Commissioner must be made in writing within 15 business days of the date of this letter or within a longer period that may be allowed by the Commissioner.

The address and contact information of the Information and Privacy Commissioner is as follows:
