Re: Your request for access to information under Part II of the *Access to Information and Protection of Privacy Act, 2015* [Our File #: AESL/082/2019]

On November 14, 2019 the Department of Advanced Education, Skills and Labour received your request for access to the following records/information:

“I am seeking a break down of all annual funding provided to the association of new Canadians.”

I am pleased to inform you that your request for access to this information has been granted.

As a participating organization in the Provincial Government’s core funding pilot with 22 community organizations, the Association for New Canadians receives annual funding to support newcomer settlement and integration through language, settlement, and employment services. For fiscal year 2019-20 that amount was \$515,992.00

The *Access to Information and Protection of Privacy Act, 2015* (act) requires us to provide an advisory response within 10 days of receiving the request. As this request has been completed prior to day 10, this letter also serves as our Advisory Response.

Please be advised that responsive records will be published following a 72 hour period after the response is sent electronically to you or five business days in the case where records are mailed to you. It is the goal to have the responsive records posted to the Completed Access to Information Requests website within one business day following the applicable period of time.
