Re: Your request for access to information under Part II of the Access to Information and Protection of Privacy Act (File # NR-263-2019)

On December 13, 2019, the Department of Natural Resources received your request for access to the following records/information:

Any quarry permits applied for and/or approved in relation to Eagleridge International and Big Triangle Pond area and/or the Avalon Wilderness Reserve boundary.

I am pleased to inform you that a decision has been made by the Department of Natural Resources, confirmed by the Deputy Minister, to provide access to the requested records. The responsive records are attached.

We are providing access to the most information possible but have made redactions in accordance with Section 40(1) of ATIPPA, 2015 as follows:

40. (1) The head of a public body shall refuse to disclose personal information to an applicant where the disclosure would be an unreasonable invasion of a third party's personal privacy.

Please note that these permits have not been issued to date. We are awaiting responses from several government departments and the Town of Holyrood.

As set out in section 42 of the Act you may ask the Information and Privacy Commissioner to review the department’s decision to provide access to the requested information. A request to the Commissioner must be made in writing within 15 business days of the date of this letter or within a longer period that may be allowed by the Commissioner. Your request should identify your concerns with the department’s response and why you are requesting a review.

The request for review may be addressed to the Information and Privacy Commissioner

P.O. Box 8700, St. John’s, NL, Canada A1B 4J6 t 709.729-1466
is as follows:

Office of the Information and Privacy Commissioner
2 Canada Drive
P.O. Box 13004, Stn. A
St. John’s, NL. A1B 3V8

Telephone: (709) 729-6309
Toll-Free: 1-877-729-6309
Facsimile: (709) 729-6500

Pursuant to section 52 of the Act, you may also appeal directly to the Supreme Court Trial Division within 15 business days after receiving the department’s decision.

Please be advised that responsive records will be published following a 72 hour period after the response is sent electronically to you or five business days in the case where records are mailed to you. It is the goal to have the responsive records posted to the Completed Access to Information Requests website within one business day following the applicable period of time. Please note that requests for personal information will not be posted online.

For further details about how an access to information request is processed, please refer to the Access to Information Policy and Procedures Manual at [http://www.atipp.gov.nl.ca/info/index.html](http://www.atipp.gov.nl.ca/info/index.html).

If you have any questions, please feel free to contact me at 709-729-0463 or rhynes@gov.nl.ca.

Sincerely,

Rod Hynes
ATIPP Coordinator
REFERRAL LETTER

File Number: 71112524  Permit Number: 140312  Referred: 27-Nov-2018

I have been directed by the Honourable Minister of Natural Resources to submit to you for your concurrence or otherwise, the following application:

Applicant: Vinland Resources Limited
Quarry Location: 1.76km East of the Salmonier Line overpass
Quarry Materials: Borrow Material
Area of site: 0.54
NTS map sheet: 01N/06
Electoral District: Placentia - St. Mary's

The site is shown on the attached map. To minimize delay in the processing of this application, we request that any objections be forwarded within 2 weeks of the date of this letter.

If no reply is received by December 11, 2018 your concurrence will be assumed.

Would you kindly complete your reply below and return it to this division. Please attach additional sheets if necessary.

Gerald Kennedy
Manager, Quarry Materials

QUARRY PERMIT APPLICATION

I/We Vinland Resources Limited on behalf of Eagleridge International Limited.

Address: P.O. Box 14068, Conception Bay South, NL
Postal Code: A1W 3J1

Hereby apply for a quarry permit for 0.54 hectares to expire December 31st, 2019 under the terms and conditions of the Quarry Materials Act, 1998, S.N.L. 1998.

QUARRY HISTORY:
Have you had permits for this site previously? □ YES □ NO
If yes, please list the permit or file numbers associated with that site:

Are you applying for a permit to the same area you held under permit last year? □ YES □ NO
If yes, please complete ONLY the following section.

QUARRY PERMIT RE-APPLICATION SECTION

File Number: ____________________ Previous Permit Number: ____________________

I certify that there are no changes or modifications to the size, boundaries or location of the existing quarry permit area or to the method of removal or processing planned at the location.

NOTE: If there are any changes to the size of the quarry, the method of removal or processing, a new application MUST be completed for the site.

Date: ____________________ Name: ____________________
Signature: ____________________ Position: ____________________

CONTRACT INFORMATION:
Complete this section if the quarry material is required for a specific contract.

Agency Awarding Contract NA
Address: ____________________ Phone No.: ____________________
Contract No. ____________________ Tender Closing Date: ____________________
Anticipated Starting Date: ____________________ Anticipated Completion Date: ____________________

Amount of material required:
Class A: ____________________ Class B: ____________________
Asphalt aggregate: ____________________ Other (please specify): ____________________

Have you been awarded the contract? □ YES □ NO

LAND OWNERSHIP:
Ownership of the land, best of your knowledge: □ CROWN □ PRIVATE

If private, complete the following and attach a letter from the owner authorizing you to occupy the property for the purpose of removing quarry material; confirmation of the title and ownership must be included.

Name of property owner: ____________________
Address of property owner: ____________________

Form of Title: 
Crown Grant: ____________________ Date Issued: ________ Volume: ________ Folio: ________
Crown Lease: ____________________ Date Issued: ________ Number: ________
Other (specify): ____________________

RECEIVED this 23 day of _____ 20__ at 10 o'clock 8 a.m.
QUARRY MATERIALS
QUARRY INFORMATION:
For the purpose of removing:
☐ Sand
☐ Gravel
☐ Rock
☒ Borrow material
☐ Horticulature peat
☐ Stockpiled material
☐ Other (please specify)

The quarry operation will involve:
☐ drilling and blasting
☐ Ripping
☐ Crushing
☐ Screening
☐ Washing
☐ Use of settling ponds
☐ Pit run removal
☐ Asphalt batch plant
☐ Concrete batch plant
☐ Other (please specify)

NOTE: Topsoil removal is NOT permitted

Proposed end use of material: Resource access road prism - as required when ditch material is unavailable or unsuitable
Location of end use material: Big Triangle Pond Mineral Exploration Road (11.5 km Length)

SITE PREPARATION:
At the time of application, the site being applied for must be clearly marked on the ground with a company sign and flagging to mark the corners and to outline the area.

Is the site visible from nearby highways or main roads? ☐ YES ☐ NO
Is there existing access to the quarry site (e.g., road, trail)? ☒ YES ☐ NO
Describe the type of vegetation cover over the area to be quarried (e.g., forest, scrub, barren, etc.):
50% Softwood Scrub (G31) and 50% immature non merchantable Balsam Fir (B32)

Describe marking, if any in addition to the above required markings:

LAND USE INFORMATION:
☒ Is the site being applied for an existing quarry? ☐ YES ☒ NO
If yes, what are the dimensions of the quarry? Width: _______ Length: _______ Average face heights: _______

☒ Are there any structures (e.g., house, fence, pole line) within the boundaries of the quarry site? ☐ YES ☒ NO
If yes, describe the structures & give distances from the site:

☒ Are there any brooks, rivers, ponds or streams within the boundaries of the quarry site? ☐ YES ☒ NO
If yes, specify type of water body:

☒ Are there any brooks, rivers, ponds or streams within 200 metres of the boundaries of the quarry site? ☒ YES ☐ NO
If yes, specify type of water body and give distances from the site:
Big Triangle Pond 100 meters to the west- Small lake 68 meters to the south east

☒ Is there any land being used within a 300 metre radius of the boundaries of the quarry site? ☒ YES ☐ NO
If yes, describe the land and give distances to the site:
Hydro Transmission Line right of way boundary- 134 meters north

LOCAUTION INFORMATION:
Describe the location of the proposed quarry with reference to the UTM grid (NAD 1927) on a 1:50,000 topographic map. Description must include NTS map sheet, UTM zone and the co-ordinates. List co-ordinates of each corner in the spaces provided below. Additional coordinates may be listed on an additional sheet and attached to this application.

NTS MAP SHEET (e.g., 01N/10): 01N06

<table>
<thead>
<tr>
<th>UTM ZONE: 19</th>
<th>20</th>
<th>21</th>
<th>22</th>
</tr>
</thead>
<tbody>
<tr>
<td>mE</td>
<td>mN</td>
<td>mE</td>
<td>mN</td>
</tr>
<tr>
<td>1. 334628</td>
<td>5244576</td>
<td>334683</td>
<td>5244491</td>
</tr>
<tr>
<td>2. 334690</td>
<td>5244560</td>

</tr>
</tbody>
</table>

Describe the location of the proposed quarry with reference to nearby prominent landmarks (road intersections, bridges, etc.) to nearest tenth of a kilometre: 1.76 kilometers east of the Salmonier Line overpass and 653 meters south along the access road under construction.
SKETCH OF QUARRY SITE

In the space below, draw a sketch showing the following:
- the boundaries and distance between corners of the site being applied for,
- outline of existing quarry (if one exists),
- distances of all features within the quarry site,
- all features within a 300 metre radius of the boundaries of the quarry site, including all features listed in the "Land Use Information" section of this application.
- the proposed access to the site and the distance the quarry site is set back from the highways or main roads,
- the location of where the UTM co-ordinates were taken.

See Attached Map

Sketch map may be a detailed survey of the area of the permit, location of the permit on a detailed cadastral or forest inventory map; a detailed aerial photograph or a Google Earth Image.

I certify that the information contained herein is true and correct.

If yes, please complete ONLY the following section.

QUARRY PERMIT RE-APPLICATION SECTION

File Number: __________________________ Previous Permit Number: __________________________

I certify that there are no changes or modifications to the size, boundaries or location of the existing quarry permit area or to the method of removal or processing planned at the location.

NOTE: If there are any changes to the size of the quarry, the method of removal or processing, a new application MUST be completed for the site.

Date: __________________________ Name: __________________________
Signature: __________________________ Position: __________________________

CONTRACT INFORMATION:

Complete this section if the quarry material is required for a specific contract.

Agency Awarding Contract: NA

Address: __________________________ Phone No.: __________________________
Contract No. __________________________ Tender Closing Date: __________________________
Anticipated Starting Date: __________________________ Anticipated Completion Date: __________________________

Amount of material required:

Class A: __________________________ Class B: __________________________
Asphalt aggregate: __________________________ Other (please specify): __________________________

Have you been awarded the contract? □ YES □ NO

LAND OWNERSHIP:

Ownership of the land, best of your knowledge: □ CROWN □ PRIVATE

If private, complete the following and attach a letter from the owner authorizing you to occupy the property for the purpose of removing quarry material; confirmation of the title and ownership must be included.

Name of property owner: __________________________
Address of property owner: __________________________

Form of Title:

Crown Grant: ________ Date Issued: ________ Volume: ________ Folio: ________
Crown Lease: ________ Date Issued: ________ Number: ________
Other (specify): __________________________
QUARRY INFORMATION:
For the purpose of removing:
- Sand
- Gravel
- Rock
- Borrow material
- Horticulture peat
- Stockpiled material
- Other (please specify)

The quarry operation will involve:
- Drilling and blasting
- Ripping
- Crushing
- Screening
- Washing
- Use of settling ponds
- Pit run removal
- Asphalt batch plant
- Concrete batch plant
- Other (please specify)

Resource access road prism - as required when ditch material is unavailable or unsuitable
Big Triangle Pond Mineral Exploration Road (11.5 km Length)

Note: Topsoil removal is NOT permitted

Proposed end use of material: ________________________________
Location of end use material: ________________________________

SITE PREPARATION:
At the time of application, the site being applied for must be clearly marked on the ground with a company sign and flagging to mark the corners and to outline the area.

Is the site visible from nearby highways or main roads? ☐ YES ☑ NO
Is there existing access to the quarry site (e.g., road, trail)? ☑ YES ☐ NO
 Describe the type of vegetation cover over the area to be quarried (e.g., forest, scrub, barren, etc.):
Site consists of all natural immature merchantable Balsam Fir (BF31)
Describe marking, if any in addition to the above required markings:

LAND USE INFORMATION:
- Is the site being applied for an existing quarry? ☐ YES ☑ NO
  If yes, what are the dimensions of the quarry? Width: _______ Length: _______ Average face heights: _______

- Are there any structures (e.g., house, fence, pole line) within the boundaries of the quarry site? ☑ YES ☐ NO
  If yes, describe the structures & give distances from the site:
  ________________________________________________________________

- Are there any brooks, rivers, ponds or streams within the boundaries of the quarry site? ☑ YES ☐ NO
  If yes, specify type of water body:
  ________________________________________________________________

- Are there any brooks, rivers, ponds or streams within 200 metres of the boundaries of the quarry site? ☑ YES ☐ NO
  If yes, specify type of water body and give distances from the site:
  Small Pond 87 meters west, Small Pond 190 meters south
  ________________________________________________________________

- Is there any land being used within a 300 metre radius of the boundaries of the quarry site? ☑ YES ☐ NO
  If yes, describe the land and give distances to the site:
  ________________________________________________________________

LOCATIONAL INFORMATION:
Describe the location of the proposed quarry with reference to the UTM grid (NAD 1927) on a 1:50,000 topographic map. Description must include NTS map sheet, UTM zone and the co-ordinates. List co-ordinates of each corner in the spaces provided below. Additional coordinates may be listed on an additional sheet and attached to this application.

NTS MAP SHEET (e.g., 01N/10): 01N/08

Describe the location of the proposed quarry with reference to nearby prominent landmarks (road intersections, bridges, etc.) to nearest tenth of a kilometre: 1.76 kilometres east of the Salmonier Line overpass and 8.717 meters south along the access road under construction.
SKETCH OF QUARRY SITE

In the space below, draw a sketch showing the following:

- the boundaries and distance between corners of the site being applied for,
- outline of existing quarry (if one exists),
- distances of all features within the quarry site,
- all features within a 300 metre radius of the boundaries of the quarry site, including all features listed in the "Land Use Information" section of this application.
- the proposed access to the site and the distance the quarry site is set back from the highways or main roads.
- the location of where the UTM co-ordinates were taken

Sketch map may be a detailed survey of the area of the permit, location of the permit on a detailed cadastral or forest inventory map, a detailed aerial photograph or a Google Earth Image.

I certify that the information contained in this application is correct.
