Dear [Redacted]:

Re: Your request for access to information under Part II of the Access to Information and Protection of Privacy Act [Our File #: MIGA/10/2014]

On August 1, 2014, the Department of Municipal and Intergovernmental Affairs received your request for access to the following information:

"Answers to Questions under information 4, attached."

Specifically, "information 4" in your attached document sought the following:

"Has Section 207 of the Municipalities Act been rescinded or declared invalid? If so, what is the date and appropriate reference?

"If not, how can a Councilor be in violation of the three conditions of Section 207 (speak/discuss/at a meeting of Council/on a matter in which the councilor has a monetary interest) and not be in conflict of interest?

Please be advised that section 207 of the Municipalities Act has not been rescinded or declared invalid. Further, a councilor who is in violation of the conditions under section 207 of the Municipalities Act must declare their conflict to council as required by the legislation.

Please note that responsive records will be published following a 72 hour period after the response is sent electronically to you or five business days in the case where records are mailed to you. It is the goal to have the responsive records posted to the Office of Public Engagement's website within one business day following the applicable period of time.
If you have any further questions, please feel free to contact Scott Winters, ATIPP Coordinator, at (709) 729-6528.

Sincerely,

Colleen Janes
Deputy Minister for Municipal Affairs
