Dear [REDACTED],

Re: Your request for access to information under Part II of the Access to Information and Protection of Privacy Act [Our File #: MPA/13/2013]

On December 16, 2013, the Department of Municipal and Intergovernmental Affairs received your request for access to the following records:

“A district by district breakdown of all Capital Works expenditures from the Department of Municipal and Intergovernmental Affairs for the 2013 fiscal year.”

This request was subsequently amended on December 18, 2013 to instead request access to the following records:

“For clarification purposes, I am requesting capital works approvals by district for the 2013 fiscal year, thus far. Hope this clarifies the request. If you need to contact me further, please do not hesitate to call.”

I am pleased to inform you that your request for access to these records has been granted. In accordance with your request for a copy of the records, the appropriate copies have been enclosed.

Please be advised that responsive records will be published following a 72 hour period after the response is sent electronically to you or five days in the case where records are mailed to you. It is the goal to have the responsive records posted to the Office of Public Engagement's website within one business day following the applicable period of time. Please note that requests for personal information will not be posted online.

If you have any further questions, please feel free to contact Scott Winters, ATIPP Coordinator, at scottwinters@gov.nl.ca or 729-6528.

Sincerely,

[Signature]

COLLEEN JANES
Deputy Minister
