Dear [Redacted],

Re: Your request for access to information under Part II of the Access to Information and Protection of Privacy Act [Our File #: SNL-060-2016]

On October 25, 2016, Service NL received your request for access to the following records/information:

“I would like an account of monies paid, or provided to the Newfoundland Safety Council and/or Safety Service NL (as they were later renamed) in the form of grants and the purpose or proposed use of these grants.

I would like an account of monies paid to these organizations, for the provision of road test services, provided for the licensing of class 6 riders/driver licenses.

I would like to have records of communication regarding the monitoring of the organization as an approved motorcycle school.

The date range would be from Jan. 1, 2004 to the present day.”

I am pleased to inform you that a decision has been made by Service NL to provide access to some of the requested information. Access to specific text information within the records that would reveal the personal information of individuals if provided, has been refused in accordance with the following exceptions to disclosure, as specified in the Access to Information and Protection of Privacy Act (the Act):

As required by 8(2) of the Act, we have severed information that is unable to be disclosed and have provided you with as much information as possible.

In accordance with your request for a copy of the records, the appropriate copies have been enclosed.

Please be advised that you may appeal this decision and ask the Information and Privacy Commissioner to review the decision to provide partial access to the requested information, as set out in section 42 of the Act (a copy of this section of the Act has been enclosed for your reference).

Subject: Approvals

I got your fax and I was waiting for Wayne to return as he is on course all week.

I have no problem with [Redacted]. I want Wayne to have a look at the rest of them.

I will let you know next week.

Geoff
