Dear [Blacked out]

Re: Your request for access to information under Part II of the Access to Information and Protection of Privacy Act [Our File #: FA/17/2013]

On June 17, 2013, the Department of Fisheries and Aquaculture received your request for the following records:

I am requesting, under the Access to Information Act, an annual breakdown of the money Government secured back (by company) from the Aquaculture Capital Equity Investment program that was created in 2006-from 2006 to present.

Under the Aquaculture Capital Equity Investment Program, each investment is negotiated on an individual basis, with varying repayment schedules. To date, the only payment due was from Northern Harvest Sea Farms and a payment in the amount of $382,000 was received from the company.

Please be advised that responsive records will be published following a 72-hour period after the response is sent electronically to you, or five days in the case where records are mailed to you. It is the goal to have the responsive records posted to the Office of Public Engagement’s website within one business day following the applicable period of time. Requests for personal information will not be posted online.

If you have any further questions, please feel free to contact Kim Anstey-Stockwood, ATIPP Coordinator, at (709)-729-3712.

Sincerely,
