Dear [Redacted],

Re: Your request for access to information under Part II of the Access to Information and Protection of Privacy Act [Our File #: SNL-017-2013]

On October 22, 2013, Service NL received your request for access to the following records:

s.30(1): [Redacted] catering license and health certificate used for the 2012 Provincial Summer Games.

I am pleased to inform you that your request for access to these records has been granted.

In accordance with your request for a copy of the records, copies have been enclosed. Please note that Service NL does not issue ‘catering licenses’ to individuals as you requested. Rather, the department issues Food Establishment Licenses to businesses or organizations for food preparation on specific premises. A copy of the licence relevant to your request is enclosed along with a copy of the application for operation of a temporary food facility on the same premises.

Please be advised that responsive records will be published following a 72 hour period after the response is sent electronically to you or five days in the case where records are mailed to you. It is the goal to have the responsive records posted to the Office of Public Engagement’s website within one business day following the applicable period of time. Please note that requests for personal information will not be posted online.

If you have any further questions, please contact the ATIPP Coordinator at 709-729-1002.

Sincerely,

[Signature]
DAVID NORMAN
Deputy Minister
