This is to confirm that on July 24, 2017, Service NL received your request for access to the following records/information:

I am pleased to inform you that a decision has been made by Service NL to provide access to some of the requested information. However, access to information contained within the records that would reveal personal information, has been refused in accordance with the following exceptions to disclosure, as specified in the Access to Information and Protection of Privacy Act (the Act):

Section 40(1): “The head of a public body shall refuse to disclose personal information to an applicant where the disclosure would be an unreasonable invasion of a third party's personal privacy.”

For your reference, as per Section 5(1) of the Occupational Health and Safety Regulations, 2012, the employer is required to notify the Occupational Health and Safety Division of Service NL in the event of a work refusal. Work refusals are then addressed by the employer and the workplace Occupational Health and Safety Committee. The Occupational Health and Safety Division of Service NL typically conducts an investigation only in circumstances where an issue cannot be resolved at the workplace and/or committee level. The Occupational Health and Safety Act and the Occupational Health and Safety Regulations, 2012, are available on the House of Assembly website via the following link: http://www.assembly.nl.ca/legislation/sr/titleindex.htm#O.

As required by 8(2) of the Act, we have severed information that is unable to be disclosed and have provided you with as much information as possible. In accordance with your request for a copy of the records, the appropriate copies have been enclosed.

Please be advised that you may appeal this decision and ask the Information and Privacy Commissioner to review the decision to provide partial access to the requested information, as set out in section 42 of the Act (a copy of this section of the Act has been enclosed for your reference). A request to the Commissioner must be made in writing within 15 business days of the date of this letter or within a longer period that may be allowed by the Commissioner. Your appeal should identify your concerns with the request and why you are submitting the appeal.
The appeal may be addressed to the Information and Privacy Commissioner is as follows:
