On March 30, 2015, the Premier’s Office received your request for access to the following records/information:

"Cost of all public opinion polling information prepared for and/or provided to the Premier’s Office between December 1, 2014 and January 26, 2015?"

I am pleased to inform you that your request for access to these records has been granted. During the time frame of December 1, 2104 and January 26, 2015 the following two public opinion polls were prepared for the Premier’s Office:

Please be advised that responsive records will be published following a 72 hour period after the response is sent electronically to you or five business days in the case where records are mailed to you. It is the goal to have the responsive records posted to the Office of Public Engagement’s website within one business day following the applicable period of time. Please note that requests for personal information will not be posted online.
