Dear [redacted],

Re: Your request for access to information under Part II of the Access to Information and Protection of Privacy Act, 2015 [Our File #: MAE/91/2017]

On September 29, 2017, the Department of Municipal Affairs and Environment received your request for access to the following records/information:

"All election results for the town of Paradise for all elections between 1985, up to and including 2013."

I am pleased to inform you that a decision has been made by the Deputy Minister for Department of Municipal Affairs and Environment to provide access to some of the requested information.

However, some of the information contained within the records has been refused in accordance with the following exceptions to disclosure, as specified in the Access to Information and Protection of Privacy Act, 2015 (the Act):

"40. (1): The head of a public body shall refuse to disclose personal information to an applicant where the disclosure would be an unreasonable invasion of a third party's personal privacy."

As required by 8(2) of the Act, we have severed information that is unable to be disclosed and have provided you with as much information as possible.

In accordance with your request for a copy of the records, the appropriate copies have been enclosed. In clarifying the enclosed records, these departmental records have a gap in election results. For example, the 2001 elections results are not in the custody of the Department. Although this is the case, these records may be in the custody of the Town of Paradise.

Please be advised that you may appeal this decision and ask the Information and Privacy Commissioner to review the decision to provide partial access to the requested information, as set out in section 42 of the Act (a copy of this section of the Act has been enclosed for your reference). A request to the Commissioner must be made in writing within 15 business days of the date of this letter or within a longer period that may be allowed by the Commissioner. Your appeal should identify your concerns with the request and why you are submitting the appeal.

Please be advised that responsive records will be published following a 72-hour period after the response is sent electronically to you or five business days in the case where records are mailed to you. It is the goal to have the responsive records posted to the Completed Access to Information Requests website within one business day following the applicable period of time.
