Re: Your request for access to information under Part II of the Access to Information and Protection of Privacy Act, our file # TCII/30/2018

Dear [Name],

On July 17, 2018 Tourism, Culture, Industry and Innovation received your request for access to the following records:

On July 12th the Telegram had a story indicating that FSD Pharma was constructing a new $40 million cannabis growing facility in Freshwater, Conception Bay. Please provide details of this arrangement. Specifically, I would like to know if this project will be receiving any public funding, tax incentives, guaranteed retail locations or any other benefits. If so, please provide the details. Also, as this is a non-incorporated area, would I be correct in assuming that they won’t be paying any municipal taxes? Please advise.

Please be advised that the Deputy Minister for the Department of Tourism, Culture, Industry and Innovation has reviewed this request and the Department has no records responsive to your request.

The Department of Municipal Affairs and Environment (MAE) are responsible for holding data on what area in Newfoundland and Labrador are incorporated municipalities, local service districts and unincorporated areas. With respect to paying municipal taxes, you may wish to confirm through MAE whether or not Freshwater has any taxes/fees including real property tax, poll tax, garbage collection, and water and sewer fees.

Please be advised that you may ask the Information and Privacy Commissioner to review the processing of your access request, as set out in section 42 of the Access to Information and Protection of Privacy Act (the Act). A request to the Commissioner must be made in writing within 15 business days of the date of this letter or within a longer period that may be allowed by the Commissioner.
