Dear Applicant:

Re: Your request for access to information under Part II of the Access to Information and Protection of Privacy Act FLR/09/2018

On January 18, 2018, the Department of Fisheries and Land Resources (FLR) received your request for access to the following records:

"Might I have a list of all the sites in central NL (Forestry Districts 4, 5, 6, 8) that have diverted silvicultured land from forest inventories for cutting in the last 5 years, by incidence in hectares?

Might I also have a list of crown land lease applications that were turned down due to silvicultured trees being within the lease boundaries in the last 5 years?

Finally, might I have "The Record" (aka evidence) for NL Forestry Div recommendations concerning decisions on Crown land lease application #151 171."

Clarified on February 12, 2018 to include:

"Can I request a cancellation of the ATTIPA request for the numbers of hectares diverted from forestry production to non-forestry leases/permits/uses?"

Please be advised a decision has been made by the Deputy Minister of FLR to provide partial access to your request. Redactions have been made under Section 40 Personal Privacy of the ATIPP Act. You will find attached the responsive records to question three of your request.

In response to Question 2 - Might I also have a list of crown land lease applications that were turned down due to silvicultured trees being within the lease boundaries in the last 5 years?
