Dear [Redacted],

Re: Your request for access to information under Part II of the Access to Information and Protection of Privacy Act (File # NR-158-2018)

On September 19, 2018, the Department of Natural Resources received your request for access to the following records/information:

All correspondence between Natural Resources and NR Canada and/or the PMO and/or any other federal department in the last 12 months relating to electricity.

On October 13, 2018, you narrowed your request to “only records specifically related to the sale of electricity assets such as Upper Churchill, Muskrat Falls, Gull Island, NL Hydro, etc., not just electricity in general.”

The Department of Natural Resources have reviewed this request and conducted a search, which did not locate any additional responsive records specific to the sale of electricity assets such as Upper Churchill, Muskrat Falls, Gull Island, NL Hydro, etc., not just electricity in general.

As set out in section 42 of the Act you may ask the Information and Privacy Commissioner to review the department’s decision to provide access to the requested information. A request to the Commissioner must be made in writing within 15 business days of the date of this letter or within a longer period that may be allowed by the Commissioner. Your request should identify your concerns with the department’s response and why you are requesting a review.

The request for review may be addressed to the Information and Privacy Commissioner is as follows:

P.O. Box 8700, St. John’s, NL, Canada A1B 4J6 t 709.729-1466
Pursuant to section 52 of the Act, you may also appeal directly to the Supreme Court Trial Division within 15 business days after receiving the department’s decision.

Please be advised that responsive records will be published following a 72 hour period after the response is sent electronically to you or five business days in the case where records are mailed to you. It is the goal to have the responsive records posted to the Completed Access to Information Requests website within one business day following the applicable period of time. Please note that requests for personal information will not be posted online.
