Agenda Item 1: Approval of Last Minutes, April 2, 2013.

MOTION (moved by Keith Bowden; seconded by Jennifer Lake): That the Minutes of April 2, 2013 be adopted as circulated. Passed.

The Chair said that we are experiencing delays getting our Financial Statements. We are almost a year behind due to no fault of GCA. Lynn Healy, CA, Ernst & Young gave an overview and answered
questions regarding the GCA’s 2012 Audited Financial Statements. She confirmed that there was nothing in the audit that should cause the Board Members concern.

The Chair advised Members to contact Lynn Healey or Sharon Penney if they had any questions or needed clarification about any information in the audit. Ms. Healey agreed to the Chair’s request that the GCA have an opportunity to review the credentials of the auditor to be assigned to the GCA account.

The Chair requested that Ernst & Young give the GCA a date by which to receive our 2013 Audited Statements. They expect to have the final draft by the end of June 2014.

MOTION (moved by Diana Baird; seconded by Clyde Thornhill). Board Members accepted the 2012 Audited Financial Statements and Audit Results. Passed.

Agenda Item 3: Executive Officer, Presentation on Operations.

Addison Brown provided an overview of the Authority’s activities in 2013, referring to the Grand Concourse Authority 2013 Annual Report which was circulated at the Meeting.

The Chair asked that the Executive Officer prepare a work-in- Progress Report for Members every four months. The Chair asked that the Audited Annual Report be forwarded to Directors a month before the GCA’s Annual General Meeting.

The Chair stated that we will work on a new edition of the Walker’s Handbook. It is possible that we use a loose leaf binding so we can send out update supplements every six (6) months. The Chair said a small team will be assembled to do this work. We may ask people who buy the Handbook to register, so we can mail them out updates as they occur. The Chair said we should try to have the Walker’s Handbook updates completed by October 2014. Jennifer Lake suggested developing a website (app) which would allow the public to retrieve information about the Grand Concourse, such as mapping, on their i-phone or i-pad. The Chair said we would consider that.

Jennifer Lake advised that she would be asked by Town of Conception Bay South Councilors if a tender process had to be completed for GCA projects. The Executive Officer advised that it did not.

The Chair said Grand Concourse continues to work in a satisfactory manner and typically when we compare costs to outside, we are doing work for Members approximately 20 - 30% below private business.

There was discussion about the original Master Plan of GCA, which was adopted, designed, planned, and built over 15 years, as approvals, funding, and acceptance occurred.

With the current expansion in Membership, additional consideration and tentative acceptance is taking place - - with decisions and scheduling to follow.
We will consider approaches whereby we can incorporate in a Master Plan illustration of Projects in the planning stage, which remain to be decided and possibly built.

**Agenda Item 5: Motions - Appointment of Auditors and Bankers.**

**MOTION (moved by Keith Bowden; seconded by Diana Baird):** That GCA appoint Auditors, Ernst & Young. *Passed.*

**MOTION (moved by Jennifer Lake; seconded by Ric Mercer):** That GCA appoint Bankers, Scotia Bank. *Passed.*

**Agenda Item 6: Election of GCA Officers.**

It is an annual requirement that the Authority appoint Officers.

- **Chair:** Paul Johnson (Johnson Family Foundation);
- **Vice-Chair:** Clyde Thornhill (NL Housing Corporation);
- **Secretary:** TBA.
- **Treasurer:** Sharon Pippy (Quidi Vidi/Rennies River Development Foundation);
- **At-Large:** TBA.

**MOTION (moved by Bob McCarthy; seconded by Keith Bowden):** That GCA re-appoint and appoint Officers. *Passed.*

As Sharon Pippy was not in attendance, the GCA will confirm with her that she will stay on as Treasurer.

**Agenda Item 7: Other Business.**

The Chair asked that the Directors bring any comments, wishes or concerns to the attention of the Board.

The Chair advised that because of some health issues he may ask Bruce Grant to fill-in for him at next year’s Annual General Meeting.

There being no further business, the Meeting adjourned at 3 p.m.

Respectfully submitted,

Sharon Penney,
Secretary to the Board.

Good afternoon,

During the last meeting of our Steering Committee, we have agreed to include the 6 km trail link between Labrador City and Wabush.

We are willing to start ASAP the feasibility study of the trail by routing and mapping the portion from Lab City to Quebec border and the trail link between the twin cities Lab City and Wabush. As Gateway Labrador does not have any human resources available, we, as RDÉE TNL would like to proceed with the request for Grand Concourse Authority to carry out the routing and GPS the trails on the map. As RDÉE TNL have already in its mandate tourism promotion and development, would it be eligible to issue the request to Department of Tourism? Our aim is to have the pre-construction phase completed before the next winter.

Hi Andy,

Thank you for your feedback. I thought that RDEE acting as the project coordinator for all members of the Steering Committee will be eligible to step in pre-construction phase and get help for design and planning. The path is getting very hard! May I ask something for the last time? Would a letter from Municipality of Labrador City or Gateway Labrador, appointing RDEE TNL as the project Coordinator will be helpful? We already have a meeting minutes that have confirmed that status.

Thanks for time!
