Dear 

**Re: Your request for access to information under Part II of the Access to Information and Protection of Privacy Act (JPS/216/2018)**

---

On November 21, 2018, the Department of Justice and Public Safety (JPS) received your request for access to the following records:

**“With regards to the unsanctioned and/or illegal hunting of Labrador Caribou, the following information is requested: 1) The number of documented incidents of above noted activities for the time period January 1st, 2016 to present day. 2) The date and location of each documented incident. 3) The identification of the parties/groups and/or organizations that were involved. 4) The identification of the Labrador Caribou herd (s) involved. 5) A full account of any charges and/or convictions of any nature that were laid/made, if applicable, resulting from illegal hunting activities. 6) The number of animals harvested, and/or thought to have been harvested, in each separate incident.”**

On November 22, JPS transferred parts 1-4, a portion of part 5, and part 6 of your request to the department of Fisheries and Land Resources. Therefore, JPS is only processing part 5 of this request.

Please be advised that the Deputy Minister of JPS has reviewed this request, and JPS has no records responsive to your request. While there are specific offences relating to moose and fish, JPS does not track charges/convictions by the type of animal that is illegally hunted or the region in which the illegal hunting took place. Therefore, JPS has no records relating to your request.

The Access to Information and Protection of Privacy Act (Act) requires us to provide an advisory response within 10 days of receiving the request. As this request has been completed prior to day 10, this letter also serves as our Advisory Response.

Please be advised that you may ask the Information and Privacy Commissioner to review the processing of your access request as set out in section 42 of the Act (a copy of this section of the Act has been enclosed for your reference). A request to the Commissioner must be made in writing within 15 business days of the date of this letter or within a longer period that may be allowed by the Commissioner.

The appeal may be addressed to the Information and Privacy Commissioner as follows:

Please be advised that responsive records will be published following a 72 hour period after the response is sent electronically to you or five business days in the case where records are mailed to you.
