Dear Mayor Tucker:

Re: 2017-2020 Multi-Year Capital Works Program

I am pleased to advise you that the Provincial Government has approved a $70 million provincial investment in the Multi-Year Capital Works Program for the next three years (2017/18 to 2019/20).

In relation to this investment, I am pleased to offer $906,653 in provincial funding to the Town of Portugal Cove - St. Philip's under this program.

Projects will be funded at a cost sharing ratio (as outlined on the Department’s website) for eligible costs net of GST/PST rebates. The Town will have up to March 31, 2021 to have all projects completed and all claims for reimbursement of the provincial share submitted.

As a call for applications has now been issued, to ensure the timely rollout of the program, I would ask that you submit a list of those project(s) you would like to have funded with the funding amount noted above. Each project identified should also contain a proposed cash flow through to project completion. I ask that you submit your list by April 21, 2017 so that the formal funding letter and associated agreement may be finalized.

I also encourage you to apply for funding under the new Building Canada – Small Communities Fund. Information relating to this program as well as our online application processing may be found on our website at: www.ma.gov.nl.ca/capital_works/cwfunding.html. Applications for funding under this program are also due April 21.

Any questions regarding the above should be directed to Mr. Inayat Rehman, P. Eng., phone number 709-729-5337.

Sincerely,
