Re: Your request for access to information under Part II of the Access to Information and Protection of Privacy Act, 2015 [Our File #: PRE/30/2018]

On October 29, 2018, the Premier’s Office received your request for access to the following records/information:

"I am requesting information pertaining to the permit limitations of the Mining activity in the Victoria Lake area by a company called Marathon Gold. There is a significant amount of a land disturbance in this area by this company in their mining exploration activities. In looking through all documents I have procured to date - This company is occupying this Crown Land - under a Crown Lands Permit. This company has posted signage for an area stretching for approx. 20 kilometres (to date - they seem to be expanding that area year over year), saying "No Trespassing" No Hunting" etc... This encroaches on the rights of Newfoundlander’s to access this land for the purpose of Hunting, Fishing etc... They have blocked off the access road to the only Boat Launch onto Victoria Lake in the area by putting a large Steel Gate across a road that existed in there for fifty years before their arrival in the area. This gate also had signage stating No trespassing / No Hunting. Giv en this is Crown Land - Was this company given specific rights to block access to this Crown Land and what are the parameters of any specific rights granted to Marathon Gold to allow them to block access with Gates etc...?"

Please be advised the Premier’s Office has no records responsive to this request, as the records would not be in our custody or control. It is our understanding you have filed this request with the Departments of Natural Resources, Municipal Affairs and Environment, Fisheries and Land Resources, and Service Newfoundland and Labrador.
