Re: Your requests for access to information under Part II of the Access to Information and Protection of Privacy Act [Our File #: FIN-08-2019 & FIN-09-2019]

On January 17, 2019, the Department of Finance received your access to information requests for the following:

“Correspondence between the department (ADM, DM and minister) and the federal government related to the pending review of the 2005 Atlantic Accord. Request includes records in any and all formats, including paper and electronic. Date range of request is Jan. 1, 2018, to the present.”

“Information notes, decision notes, analyses, and/or other background or briefing materials - in any and all formats, including paper and electronic - related to a pending review of the 2005 Atlantic Accord. Date range of request is Jan. 1, 2018, to the present.”

The Department of Finance wishes to advise that access has been denied to the above requests.

It is important to note that the Department determined the following in the preparation of its response:

- Some of the information contained within the responsive records includes advice, proposals, recommendations, analyses or policy options developed by or for a public body or minister. As such, this information has been severed from the response pursuant to sections 29.(1)(a) of the ATIPPA.
• Some of the information contained within the responsive records is subject to solicitor
and client privilege or litigation privilege of a public body. As such, this information has
been severed from the response pursuant to sections 30.(1)(a) of the ATIPPA.
• Some of the information contained within the responsive records was received in
certainty from another government, council or organization. As such, this information
has been severed from the response pursuant to sections 34.(1)(a)(i), and 34.(1)(b) of
the ATIPPA.
• It is reasonable to conclude that some of the information contained within the
responsive records would, if released, result in the premature disclosure of information
developed for the purpose of contractual or other negotiations by or on behalf of the
government of the province or a public body, or considerations which relate to those
negotiations. As such, this information has been severed pursuant to sections 35.(1)(f)
and 35.(1)(g) of the ATIPPA.

For your convenience, provided in the table below is a listing of the page numbers that have
