Dear [REDACTED]:

Re: Your request for access to information under Part II of the Access to Information and Protection of Privacy Act File #: CSSD/14/2019

On February 22, 2019, the Department of Children, Seniors and Social Development received your request for access to the following records/information:

“Records from March 1, 2018 to the present concerning funding for amateur sports, male and female. Including but not limited to briefing notes and correspondence.”

I am pleased to inform you that a decision has been made by the Deputy Minister for the Department of Children, Seniors and Social Development to provide access to the requested information. In accordance with your request, the information has been provided in the attached enclosure.

As per our phone and email correspondence February 26 and 27, 2019 it was explained that the request was broad and informed of the following:

- CSSD funds approximately 40 Provincial sport organizations each year who each may submit several applications for amateur sports funding. Each application can generate extensive correspondence as part of the application process. Therefore the potential responsive records, as the request was worded, could generate thousands of pages.
- HLSR does not track information related to grants/funding with a gender specific lens.

You agreed to narrow your request to the following:

- A list of grants provided to provincial soccer associations.

Please be advised that you may ask the Information and Privacy Commissioner to review the processing of your access request, as set out in section 42 of the *Access to Information and Protection of Privacy Act* (“the Act”). A request to the Commissioner must be made in writing within 15 business days of the date of this letter or within a longer period that may be allowed by the Commissioner.

The address and contact information of the Information and Privacy Commissioner is as follows:
