Dear :

Re: Your request for access to information under Part II of the *Access to Information and Protection of Privacy Act* (File # NR-100-2019)

On May 16, 2019, the Department of Natural Resources received your request for access to the following records/information:

In relation to the attached note “Ferm Fees 2011”, I am looking for the annual reports from 2010 to present for Quarry File #7118923, in a format like the attachment.

The Department of Natural Resources have reviewed this request and conducted a search which did not locate any responsive records in relation to your request. The attached note “Ferm Fees 2011” which you referenced in your request was prepared and provided to DNR by Concord Paving. DNR’s Quarries Division advised that companies that have many quarry permits will sometimes send in a spreadsheet with the breakdown of their fees. However, no such spreadsheets have been provided in relation to Quarry File #7118923.

Please be advised that you may ask the Information and Privacy Commissioner to review the processing of your access request, as set out in section 42 of the *Access to Information and Protection of Privacy Act* (the Act). A request to the Commissioner must be made in writing within 15 business days of the date of this letter or within a longer period that may be allowed by the Commissioner.

The address and contact information of the Information and Privacy Commissioner is as follows:

Facsimile: (709) 729-6500

You may also appeal directly to the Supreme Court Trial Division within 15 business days after you receive the decision of the public body, pursuant to section 52 of the Act.

Please be advised that this letter will be published following a 72 hour period after it is sent electronically to you or five business days in the case where records are mailed to you. It is the goal to have the letter posted to the Completed Access to Information Requests website within one business day following the applicable period of time.
